April Events
22-Resident Birthday Party
Blurb from Amanda

First of all I want to thank each and every one of you for being so understanding and cooperative during this COVID19 Pandemic, and caring about others. We are all working through this together.

For the month of April, I am going to try and think of some fun cool craft ideas, also see if I can find some different games we can play. If anyone has any suggestions on things you would like to do please feel free to come into my office and let me know.

Unfortunately we still can’t go out into town, so if you are in need of anything, and your family can’t deliver it to the Lodge let me know and I will do my best to take care of your needs at this time.

We had a great treat for the Birthday party in March with Ice Cream Cake, and that is thanks to our sponsor for always making sure we are treated well.

Take Care,
Amanda Hoogerdiijk

QUOTE OF THE MONTH
Quote of the Month: There is no glory in star or blossom till looked upon by a loving eye; There is no fragrance in April breezes till breathed with joy as they wander by.” “April is a promise that May is bound to keep.

Birthstone of the Month: Aquamarine

The April birthstone, diamond, in addition to being a symbol of everlasting love, was once thought to bring courage. In Sanskrit, the diamond is called vajra, which also means lightning; in Hindu mythology, vajra was the weapon of Indra, the king of gods.

The Flower of The Month: Daisy

April’s birth flowers are the daisy and the sweet pea. The daisy symbolizes purity, true love and innocence. In Old English, people called daisies the “day’s eye,” since the petals closed around the yellow center at night and reopened during the day. Daisies are great flowers to show your undying love.

Sweet peas symbolize blissful pleasure. Sweet peas are known for their sweet fragrance, and are a great way to make your home smell like spring!
